

Beautiful Scene

VERSE

What a beautiful scene
When it's only You and only me
What a marvelous place
To stand in Your sight and feel Your gaze

CHORUS 1

How I long to be with You
How I yearn for all Your truth
God of all and God of me
In Your light, I want to be
What a beautiful scene
What a beautiful scene

BACK to VERSE

CHORUS 2

How I long to be with You
How I yearn for all Your truth
God of all and God of me
In Your light, I want to be
What a beautiful scene
What a beautiful scene

BRIDGE

It's only You and only me
Yeah....
