

# May Your Kingdom Come

## Verse 1

**G**                     **D**           **A/C#**                               **C**  
What have I to offer You           When You are everything  
**G**                     **D**                     **A/C#**                               **C**  
Who am I to serve You, Lord           The King of every king

**G/B**   **C**   **D**   **Em**   **G/B**               **C**               **D**  
All that I can do is love the ones You've put in front of me

## Chorus

**G**                               **D/F#**  
May Your kingdom come  
  **Em**   **D**  
And may Your will be done  
                             **C**                               **C**       **G**  
Through this life that You've given to me  
**G**                               **D/F#**  
May Your kingdom come  
  **Em**   **D**  
And may Your will be done  
                             **C**                               **C**       **G**  
Through this life that You've given to me

## Verse 2

**G**                               **D**           **A/C#**                               **C**  
I see them looking back at me           For something from above  
**G**                               **D**                     **A/C#**                               **C**  
And through their eyes, if I could see           Would I see Your love?

**G/B**   **C**   **D**   **Em**   **G/B**               **C**               **D**  
All that I can do is love the ones You've put in front of me

**(BACK TO CHORUS)**

## Bridge

**C**   **D**                     **Em**   **D/F#**               **C**  
When all is said and done, there is only You  
**C**   **D**                     **Em**   **D/F#**               **C**  
When all is said and done, there is only You  
**C**   **D**                     **Em**   **D/F#**               **C**                     **G/B**   **A/C#**  
When all is said and done, there is only You, there is only You
